October 21, 2016

Good afternoon. The Labor Management Committee (LMC) is writing you to provide an update from our first meeting. That meeting took place on September 21 and was held at the South River School library. With Chris Galvin serving as the new MEA President, he took on the role of co-chair along with Superintendent Granatino. In addition, it should be noted that School Committee Chair, Sean Costello, will be taking over for Nancy Currie and Sally Marples will serve as the PR&R/MEA representative

The meeting was a chance for the returning members to get reacquainted and to review the protocols that are in place for the LMC. There were a few members who informed the team that they would be stepping down from the LMC after having served on it for multiple years. This created discussion on transition protocols, which had not been discussed or codified in the past. As it stands, we have an opening at the MES and the SRS. Thanks to Joyce Romano-Biagini for volunteering to replace Laura Hines as the DWS representative. Many thanks to Laura as well for her years of service. If you are interested in serving on the LMC, please inform your building representative. If there are multiple volunteers, then we would look to have a building vote determine who the representative will be.

The discussion then turned to last year's area of focus for the LMC; the written procedure to define responsibilities for teachers in leave situations. There were some final edits needed to those procedures, and those would be forthcoming at a future meeting.

The remainder of the meeting dealt with an assessment of past topics that the LMC had not been able to address as well as members bringing forth ideas for possible topics that had been shared with them by the staff at their buildings. No final topic was selected, and the LMC hopes that they will be able to have those completed at the next meeting.

Meetings for the year will be held on the last Wednesday of each month, at 2:45 PM. The only exceptions to the rule are meetings that will be held on January 18th, February 15th and March 30th. In addition, the March meeting will take place at 9:00 AM. It was a great first meeting and the team is excited about the work they will be doing this year.

Thank you,

Jeffrey W. Granatino  
LMC Co-Chair

Chris Galvin  
LMC Co-Chair
