November 16, 2017

Good afternoon,

The LMC met for the third time this year on Wednesday, November 15th at the Ventress Hall.

After a quick review of the previous meeting and acceptance of the minutes, the team began reviewing possible topics that were brought up for consideration at the October 25<sup>th</sup> meeting. Each member of the LMC had a chance to speak on topics as they came up and the group assessed whether they were “LMC-worthy” or if they were better off being part of future contractual discussions. Also, the team found that some items had been resolved, or could be resolved, without having to put it through the LMC process.

As noted at a previous meeting, the LMC reviewed 16 possible topics (some of which were interrelated). By the end of the two and one-half hour meeting, the team felt comfortable moving forward with five topics for the remainder of the year. They revolve around the following:

- Handling the coverage for buses that arrive late in the afternoon
- Taking a look at the scheduling of open houses and/or curriculum nights
- Consistency in the scheduling of band/strings at the elementary level
- Finding a consistent format to welcome new students into a school/classroom
- Revisiting the format of the Teachpoint Documents (not tinkering with the evaluation itself)

All members worked hard at the meeting and were able to express their thoughts and concerns on all of the possible topics.

The next LMC will meet on December 20<sup>th</sup>.

Sincerely,

Jeffrey W. Granatino
